

# PEASE PUDDING HOT

Pease pud - ding hot pease pud - ding cold  
Some like it hot some like it cold

pease pud - ding in the pot nine days old.  
some like it in the pot nine days old.

This song can be sung in numerous ways. The following is a really popular way.  
The actions take place during the rests.

Rest 1 - wipe brow as if hot

Rest 2 - put hands around self and shiver

Rest 3 - say 'bleah!' as if being sick!

A good sequence for this song is as follows:

SING with actions

HUM with actions

THINK with actions

Alternatively, the children can clap in all the rests and follow the same pattern as above.

This song works as a canon with each group coming in two beats later. E.g. 'Pease pudding, pease pudding...'
